

CORRESPONDENCE.

Capac Chips.

The ladies of the M. E. church Society gave a social at Mrs. E. M. Fishers next Friday evening.

Mr. Pope, residing on a farm a few miles north of Capac, held divine service in the M. E. church on Sunday evening. For an unordained minister, his sermon was well delivered and well received by the large congregation present.

Mrs. S. S. Brooker and daughter Lena take their departure Tuesday eve, for N. Y. for a few weeks visit amongst friends.

Capac Union school opened Monday with a good attendance in all grades.

Mrs. S. M. Vinton accompanied by her little sister Hattie Banfill returns to her home in Kalkaska, Mich., Wednesday of this week.

Cheap excursion to Pt. Huron and return for the small sum of fifty cents (or half a dollar if you choose) next Wednesday. Lots of our town people hope to take it in, also to have a general good time.

Among the best features of the late "re-union" at this place, was the music furnished by the lately resurrected "Cornet Band". To say that that was not good would be speaking a long way from the truth. Only what we want is more of the same and not so far between. Au revoir,

SWEET BRIAR.

EXCURSION TO WALPOLE!

Gala Day—Pleasant Trip—The verdict of Everybody "What a Jolly Time."

The harvest excursion to Walpole Island last Thursday was one of the most pleasant affairs of the season. This being the first adventure of the kind ever gotten up from this place it might be called a grand success, and as the ice is now broken we hope there will be many more of these pleasant trips to follow. The day opened very unfavorable, but as the old adage says "a cloudy morning oft brings a pleasant day" and before the party had reached Port Huron the clouds broke away and Old Sol shone forth in all his glory, and the day turned out to be all that anyone could desire. On arriving at Port Huron the party found the elegant new steamer Omar D. Conger in waiting to transfer them to the island. This boat is one of the finest on the river, having every modern improvement for the comfort of passengers and under the management of the genial Capt. Smith, whose agreeable manner makes him a favorite on the river, there was nothing left to be desired in the make up of a pleasant trip. The island was reached about 11 o'clock when the baskets were produced and a regular old-fashioned picnic indulged in. After disposing of the good things with a right good will the pic-nickers began to explore the island in quest of the dusky graves, Ponies, &c. About three hours was spent in this delightful spot when the boat left for Port Huron arriving about 5 o'clock and all boarded the train for home. The day passed off harmoniously and everybody came home highly pleased with the day's enjoyments.

—E. Gordon will sell groceries at cost for the next thirty days. Call early and secure some of the bargains he offers in his change of adv.

—Sumner Starks, of Deckerville, an old resident of Brockway, and brother of Mrs. Ashley, returning from the re-union of the army boys, paid a short visit to his sister and friends this week.

—The fall teachers' examinations will be held as follows: Port Huron, Saturday, Sept. 16th; Port Huron, Friday, Oct. 27th and Saturday, 28; Capac, Saturday, Nov. 4th; and St. Clair, Saturday, Nov. 11th.

—Quite a goodly company of the friends and relatives of David Brown and wife assembled at the residence of the latter Sunday afternoon to celebrate the 15th anniversary of their marriage. It was said by those present that they had a real enjoyable time. Anybody acquainted with Dave would say there was not much chance for long faces there. The bride was made the recipient of some very handsome crystal ware as mementoes of the occasion. May Dave and his wife live to celebrate their golden wedding.

—The school meeting on Monday evening last was the largest ever held in this district, forty-three votes being cast. W. H. Palmer was re-elected director for next term. It was voted to sell the school lot in rear of the old school house and buy a larger lot for school purposes. This is a good move, as the present one and grounds are very inadequate for the present wants of the district and are a disgrace to the town. It was also voted to have ten months school and hire a male teacher.

Quick Relief.

Hamilton's Jamaica Ginger Tonic and Pain Cure is not only valuable internal remedy for all stomach and bowel difficulties such as Dyspepsia, Indigestion, Heartburn, Flatulence, Diarrhoea, Dysentery, Camps and Colic, but cannot be excelled for an outward application in Rheumatism, Neuralgia, Sciatica, Sprains, Sides and Backache and Strains in any part of the body. Used freely with warmth and rubbing it gives quick relief. Price 25 and 50 cents per bottle. Sold by C. A. Wells & Co.

One of the Invalids.

E. M. PARNELLE, Dear Sir:—I have been taking your Dyspepsia, Diabetes, Kidney & Liver Cure for some time past and have received more benefit from it than from all of the \$500 worth of Doctor's medicines that I have used in the last few years. Before taking the cure I was weak and tired out all the time and now I can work all day without fatigue. Would not be without it in the house. Believe it is one of the best medicines in the world.

Yours, Robert A. Longshyke, Jr., Somers Lane, Pa.

Almost Marvellous.

The way Parnelle's Blood Purifier works upon the human system. It is such a thorough Purifier, it strikes at the root of the disease and by its perfect workings effects a cure almost before the patient is aware. It seizes upon every particle of poisonous matter in the system, expels it and builds up health and vigor through the entire body. \$1.00 per bottle. Sold by C. A. Wells & Co.

CONSUMPTION.

It is said that 50,000 people die annually in the United States alone from this disease. In some sections of the country one death in every three is from Consumption. This can be, and should be avoided; our people are too careless about an ordinary cough or cold, and other symptoms of throat and lung affections that lead to this disease. You should arrest it while it is in the germ. Two or three doses of Dr. Bosanko's Cough and Lung Syrup will relieve an ordinary cough or cold. It does not dry up a cough like many preparations on the market and leave the disease behind it, but acts directly on the throat and bronchial tubes, removing all the phlegm and morbid matter that accumulates in the throat and lungs. It allays all irritation, and renders the voice clear and distinct. Sold by F. A. Baker.
